

New Slimline System One & Top Pivot Reversed

FritsJurgens®

By Bellevue Architectural

FROM THE NETHERLANDS, FRITSJURGENS CREATES PIVOT HARDWARE SOLUTIONS OF THE HIGHEST POSSIBLE QUALITY THAT EXCEED INDUSTRY STANDARDS AND OUR CLIENT'S EXPECTATIONS. THESE SOLUTIONS ENABLE ENDLESS PIVOT DOOR DESIGN POSSIBILITIES.

- Hidden hardware** Only small floor and ceiling plates are visible. All the hardware is hidden in the door.
- Unlimited design** The door can be of any height and made with every type of material, creating unlimited design possibilities.
- Motion technology** Motion technology puts hydraulic power to use, creating a smooth and controlled door movement.
- Timeless quality** Built from high-performance materials, the systems are maintenance-free and perform flawlessly.

CONTINUOUS IMPROVEMENT

FritsJurgens strives for the best quality possible. Every system that leaves the FritsJurgens headquarters is designed, fabricated, and tested with the greatest attention to detail and with only the best quality materials. This enabled us to create maintenance-free hinges: even after 136 years of daily use, the hinge will still function flawlessly.

WORLDWIDE NETWORK

Architects, designers, and door manufacturers worldwide work with FritsJurgens. Our pivot hinges are available through a trusted partner-network in 80+ countries.
