Javier Lopez

Madrid, 1978

Javier López was born in Madrid, Spain, in 1978. After graduating in interior architecture and industrial design, he moved to Milan, collaborating with various prestigious international design studios.

In 2011 he opened his own studio in Milan, where he works on projects from architecture to product design. In the same year he began working with Agape and launched his first product "Plus", which garnered him a nomination for the Compasso d'Oro ADI 2014 Award.
